Max Ernst

A 3D rendered classical museum building. The structure features a prominent triangular pediment at the top, which contains the word "MUSEUM" in large, bold, black capital letters. Below the pediment is a horizontal band with a reddish-pink hue. The main facade is supported by six white, fluted columns. In the center, there is a large, dark brown arched doorway. On either side of the doorway are two smaller, arched windows with blue-tinted glass panes. The building is elevated on a wide set of stone steps. The overall style is clean and modern, typical of digital architectural renderings.
